I went out a walking
To see what I could find
The wicked look of a woman
Is the eye of an evil child.

I went out a talking
And I got myself in a fix
I should have kept my mouth wide open
And let the words slip back in.

'Cause I've been waiting
I've been waiting, I've been
I've been waiting,
I've been waiting,
I've been waiting, I've been.

I watched the mirror falling
And I tried to stand the tide
Of abuse that you'd been calling
From the eye of an evil child

'Cause I've been waiting
I've been waiting, I've been
I've been waiting,
I've been waiting,
I've been waiting, I've been.

I went out a talking
And I got myself in a fix
Should have kept my mouth wide open
And let the words slip back in.

I've been waiting
I've been waiting, I've been
I've been waiting,
I've been waiting, I've been.
