The time goes by
The time is right

This never felt so perfect
This never felt so wrong
And I believe that you and me
Held on for too long

I want a little bit more

[Chorus:]
So let go
'Cause I can't keep on letting myself down
And I know
Tomorrow will be better without you around
I want a little bit more, a little bit more
I need a little bit more, a little bit more

Every little step I'm taking
Is pushing you far away
And I will be stronger with each new day
'Cause I'm through waiting

I want a little bit more, I need to

[Chorus:]
So let go
'Cause I can't keep on letting myself down
And I know
Tomorrow will be better without you around
I want a little bit more, a little bit more
I need a little bit more, a little bit more
Give me a little bit more, a little bit more

The time goes by
The time is right
The time goes by

[Chorus:]
So let go
'Cause I can't keep on letting myself down

And I know
Tomorrow will be better without you around
I need a little bit more, a little bit more
I need a little bit more, a little bit more
