I'm getting tired of trying to be everything  
And I don't know what you want from me  
I need a little room to breathe  
So please, please just let me be  
It's hard for me to say goodbye  
It's time for me, it's time for me to find

[Chorus:]  
I will find my way  
I'm not living for you anymore  
I'm never gonna change  
I will find my way  
When I walk out that door  
I will be OK  
Tomorrow when I'm gone  
Just know that I am on my way

I've been down this road before  
I have been left stranded and I have been ignored  
The sun is going down  
My time is running out  
I want something, I want so much more  
Oh it's hard for me to say goodbye

[Chorus:]  
I will find my way  
I'm not living for you anymore  
I'm never gonna change  
I will find my way  
When I walk out that door  
I will be OK  
Tomorrow when I'm gone  
Just know that I am on my way

Never gonna be your idea of me  
You gave me strength, you gave me love  
So let me chase my dreams  
Never gonna fly if you don't let me try  
You gave me hope, you gave me life  
So let me say goodbye  
It's time to say goodbye

[Chorus:]  
I will find my way  
I'm not living for you anymore  
I'm never gonna change  
I will find my way  
When I walk out that door  
I will be OK  
Tomorrow when I'm gone  
Just know that I am on my way
