[Chorus:]

If you hate me
I must be doing something right
All your jealousy
Doesn't keep me up at night
It must get harder to breathe
You're so full of envy
Green ain't your color, baby

[Verse 1:]

My name's on everyone's lips
And I think I'm starting to like it
I may not be rich and famous
But I'm damn sure young and fabulous

You can tear me down and be my enemy
It makes no difference
I'm not going away
But I'll keep on singing

[Pre-chorus:]

I'm the talk of the town
I got it all figured out

[Chorus:]

If you hate me
I must be doing something right
All your jealousy
Doesn't keep me up at night
It must get harder to breathe
When you're so full of envy
Green ain't your color, baby

[Verse 2:]

Well you can keep talking
I won't be listening
Give it a rest hun
Your words mean nothing

Well you can't drag me down with negativity
Keep your opinions

I'm not going away
I'll keep on singing

[Pre-chorus:]
I'm the talk of the town
I got it all figured out

[Chorus:]
If you hate me
I must be doing something right
All your jealousy
Doesn't keep me up at night
It must get harder to breathe
When you're so full of envy
Green ain't your color, baby

[Bridge:]
I'm the talk of the town
Got it all figured out

[Chorus:]
If you hate me
I must be doing something right
All your jealousy
Doesn't keep me up at night
It must get harder to breathe
When you're so full of envy
Green ain't your color, baby
