Fall to her call on a Saturday night  
She's got the hip dippin' trick  
Of all time done right  
She's got her lips sticking tight  
To her find tonight  
She's keeping time keeping time  
With the mystery rhyme  
And she's crazy to want me to taunt me  
Deep on the scene she is waiting for me  
Like a sin scraping skin  
She is screaming for me  
Hope in hope in the sky she is talking to me  
She's keeping time keeping time  
With the image of me  
It's her way of saying a prayer for me  
It's her way of talking to God for me  
It's her way of talking to jesus christ  
It's her way of talking to jesus
