Spoken:

Everything is so hot tonight
We are here witnessing to the most beautiful
advance of all time
On the red corner we got Connect-R
In on the blue corner we got Raluka
So pay attention, place your bets
Because the show is about to begin!

I know you like it
This funky fresh, it's gonna pump it
I see that booty making earthquake on the floor
Like an active bomb, bomb, bomb

Oh yes, I like it
Your funky fresh just make me pump it
You can't control my body
Watch me how I activate this bomb, bomb, bomb

On the dance floor, oh, oh
Let's do it on the dance floor (all night long)
We make love on the dance floor (oh, oh)
'Cause we can funk it on and on and on

Refrain

You know we've got that funky fresh
That funky fresh
You know that funky fresh
That f-f-f-fresh,
You know that funky fresh
That funky fresh
We got that funky fresh
That f-f-f-fresh

You know I like it
M-M-My funk is gonna pump it

You bought that collar and
You're funky on the floor
Like an active bomb, bomb, bomb

Oh yes, you like it
You love this beat
You should be clapping
Hey mister DJ, you can stop this
I just activate my bomb, bomb, bomb

Yeah, yeah, ey, ey, um, take it back to the flow
Take it back to original flow
'Cause I've got to go boom, boom, boom, boom
No wholesale boom will be fine
So let's go trippin' and sippin'
And drinking, fucking good
We've got that fresh in the session
With passion, feeling good
Spin like Ima Lazee
Rock all my fellows like Jay-Z
Need fresh in the club, that's crazy
We flash in the swing that save me
Our music lasting forever even when we be gone
You've got Raluka, Connect-R
We call it "Rappin' On"

On the dance floor, oh, oh
Let's do it on the dance floor all the night long
We make love it on the dance floor, oh, oh
'Cause we can funk it on and on and on

On the dance floor, oh
Let's do it on the dance floor (all night long)
We make love on the dance floor (oh, oh)
'Cause we can funk it on and on and on

Refrain

You know what they say?
You better relax yourself

Between Connect-R's heavy Roma accent and the quickness of the rap, these were difficult lyrics to transcribe. I'm still unsure about the line that begins, "Spin like..." If you have any suggestions, please let me know.
