Spoken:

Hey, in the life of two, let's make one

Listen:

I know I've made some mistakes
Got some troubles in my mind
But I know I can step on the brakes
And everything will be alright

But I'm here and you're there
And there's nothing I can do
'Cause I'm here and you're there
I just can't believe it's true

Refrain (2X)

Love is the way
I'm making you stay
Love is what I feel
When I look at you
Love is the way
And this is the day
Would you run away
And let me down

You never let me down
You never let me down

I know I've made some mistakes
Got some troubles in my mind
But I know I can step on the brakes
And everything will be alright

But I'm here and you're there
And there's nothing I can do
'Cause I'm here and you're there
I just can't believe it's true

Refrain (3X)

You never let me down

You never let me down
