Spoken:

Yo, this is Connect-R 'pon the place ("Rappin' On")

This song is called Murderer

Murderer is that kind of girl
who kills everything inside ya,

So watch out 'cause you might have a murderer

Right next to ya

You know it's hitting

This is not a secret anymore

Fighting, I don't know what I'm fighting for

Voices, voices spinning in my head

Telling me, telling me this is not the end

You're killing me slowly, leave me or love me

You're killing me slowly with your lies

You're killing me slowly so I'm beat up and lonely

You're killing me inside

Refren

'Cause you're a murderer, murderer, murderer

You're a murderer, murderer, murderer

You are a murderer

You know it's hitting

This is not a secret anymore

Fighting, I don't know what I'm fighting for

Voices, voices spinning in my head

Telling me, telling me this is not the end

Now I'm falling down

And you don't have no eyes to see me

Now I'm falling down

And you don't have no words to catch me

Now I'm falling down

And you don't have no eyes to see me
Now I'm falling down
But you don't have no words to catch me

Refren
