I want you to know that when I leave,  
it'll be the last you'll ever see of me.  
I've tried so damn hard to fix you,  
to make you believe in what I see.

If you wanna be broken, be broken.  
I won't dare try to mend you again.  
I've tried my best to get through  
but there's no getting it.

When I go I'll pack my bags, won't leave a note  
No second chance, no, that's all we wrote.  
I tell myself that this time something's gonna change  
that you'll look into my eyes and your heart will fall in  
place.

Well you need space darling, you're such a headache.  
Im not sure how much I can take.

When I go i'll pack my bags, won't leave a note.  
No second chance, no, that's all we wrote.  
When I go I won't be back don't ask me for a second  
chance  
No that's all I wrote.

Drop everything, baby, the bottle is calling.  
Whoa, you'll see again.  
Fall down, pass out, no you can't feel a thing.  
And if you start to, honey, just keep drinking.

When I go I'll pack my bags, won't leave a note.  
No second chance, no, that's all we wrote.  
When i go, I won't be back, don't ask me for a second  
chance.  
No, that's all I wrote.

Drop everything, baby, the bottle is calling.  
Whoa, you'll see again.  
Fall down, pass out, no you can't feel a thing.  
And if you start to, honey, just keep drinking.
