I didn't mean to turn you on, no way
just wanna dance and sing my song, oh okay
Clocking in, clocking out,
no I don't mind it at all
Me and the danger dudes
were on the news, so just don't bother to call,
because...

It's just a way to stay alive, boy
it's such a trip just to survive

So it's back, back to dungaree high
just to get high, back to dungaree high
just a great big boy -
with a teeny-weeny alibi

Just a soul on ice
With a mirror and a blade
and a pocket full of ice
Cheap thrills done and the dirt cheap ants
'cause I got a headache in my pants

I got a headache in my pants
I got a headache in my pants
I got a headache in my pants, because...

It's just a way to stay alive, boy
It's such a trip just to survive
So it's back, back to dungaree high
just to get high, back to dungaree high
just a great big boy -
with a teeny-weeny alibi

It's just a way to stay alive, boy
It's such a trip just to survive, boy
It's just a way to stay alive, boy
It's such a trip just to survive, boy
It's just a way to stay alive, boy
It's such a trip just to survive
back to dungaree
back to dungaree

back to dungaree high
