You wanna know if I know where
I can't say that I do
Don't understand the evil and
Or how one becomes two
I just can't recall what started it all
Or how to begin the end
I ain't here to break it
Just see how far it will bend
Again and again, again and again
I wanna make it
I wanna make it wit chu
(again and again and again)
I wanna make it
I wanna make it witchu
(anytime, anywhere)
Sometimes the same is different
But mostly it's the same
These mysteries of life
That just ain't my thang
If I told you that I knew about the sun and the moon
I'd be untrue
The only thing I know for sure
Is what I won't do
Anytime, anywhere
I wanna make it
I wanna make it wit chu
(Again and again, yeah yeah)
I wanna make it
I wanna make it wit chu
I wanna make it
I wanna make it wit chu
(Again and again)
I wanna make it
I wanna make it wit chu
(You)
I wanna make it
I wanna make it wit chu
(Anytime, anywhere)
I wanna make it
I wanna make it wit chu
Again and again and again and again and again)

I wanna make it
