It's the cruelest joke to play
I'm so high, I run in place
Only a line, we separate,
So...

[CHORUS]

I keep on playing our favorite song
I turn it up while you're gone
It's all I got when you're in my head
And you're in my head so I need it

You're the only thing I've got
That I can't seem to get enough
We collide for one embrace,
So...

[CHORUS] (x2)

Hurry up and wait forever...
I keep on playing our favorite song
(Hurry up)
I turn it up while you're gone
(And wait)
It's all I got when you're in my head
(For forever)
And you're in my head so I need it

Ba ba ba (x16)

I keep on playing our favorite song
I turn it up while you're gone
It's all I got when you're in my head
And you're in my head so I need it
I need it
I need it
I need it now...
