Got a hole in my head
Everything falls right out
Through my ears, through my eyes
Makes no difference where you are
You wanna know how I do it?
I do it all right
You wanna know how I do it
I do it all right
I got a hole and I'll never go home
There ain't nothing can fill it up
I got a hole and I'll never go home
There ain't no one thing
A new road, a new road
A new road, a new road
You never get right back
A new road
You never get it right back
A new road
You wanna know how I do it?
You wanna know how I do it
You wanna know how I do it
I do it all right
I gotta hole and I'll never go home
There ain't nothing that can fill it up
I gotta hole and I'll never go home
There ain't no one thing out there
Not me with a gun to my head
I can let it go
Not me with a gun to my head
I can let it go
So I sing
