Click, street team
Relax, make moves like what
Brooklyn, Uptown
Beak it down one time, to y'all
Queen of the Click
Lookie here, look at me, hah

Me and my boys we, poised to do big things this year
Make a lot of noise in dis here
We comes through with the multiple of ends
Then flows through with the multiple of Benzes

Cartier lenses, me and my mens's
'Bout to take over with a vengeance
Watch your spot 'cause we hot to trot
See we plottin' for the top spot and that's what we got

Now we hold it like convo', rhyme Don flow
Queen throw her nookie like Madonna nine-four, what?
Y'all ain't know? Untold damage, shit
I got the flow that you can't romantage

Make you whole vanish like Copperfield
Drop, to the bottom then I rise, to the top of the field
Drop your shield, y'all gon' be okay
And I'll be much sleeker in the C.O.K.

'Cause I am, The Queen Pen of the Click
The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

I am, The Queen Pen of the Click
The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

Rock chicks I'm dyin' from boredom, please
I can't wait for y'all to fall like autumn leaves
So I can shine like six-four sittin' on deez, huh
The less be y'all, the more for me

I put it down like bad kids, stop the madness, shit
I roast y'all bitches with Ad-Libs
The garbage shit stops, when the hottest shit drops
And y'all can't front on how the shit knocks

Even haters, gotta love the sta-tus, or the stat-us
Y'all wanna hit, get at us
Hey you, wanna debut number one like we do?
You gots to roll with my crew

We got the cars with the rims got the rings and the ice
Put it all together let it all gleam nice
Gotta pay a mean price, you go against my click
And here's one thing, y'all should never forget

That I am, The Queen Pen of the Click
The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

I am, The Queen Pen of the Click
The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

I run circles around you, verb'll straight serve you
Day to night, we keep it tight like a girdle
Nine to five, y'all should make it your job to
Keep Queen Pen close to your ears like a bob

We make this, world revolve with this music of ours
From S-950's to music guitars
You know the program, let no man, interrupt your flow
And if that's your man, you better let him know

I'm like, Damien Oman, six-six-six
The way I be flowin' is sick-sick-sick
Ice rope glowin', focus on the wrist, it takes
More than that to get close to dis

Straight hits on me with my nigga T.R. and
Gimme I be in, straight shinin'
It's all in the timin' and how the shit clicks
And here's one thing, y'all should never forget

That I am, The Queen Pen of the Click
The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

I am, The Queen Pen of the Click

The littlest G with the, hottest shit
Here's one thing, y'all should never forget
That she flows like no other chick

Yeah, this is dedicated
To Crown Heights, Brooklyn
To all my street team, that finally made it
You saw we made it, here I am, I'm out
