David Simpson :

Rythm

Say if tell you a story from my hood  
Could you ever  
Could you understand  
Could you ever now  
Could you understand  
Say if I tell you a story from my hood  
Could you ever  
Could you would you understand  
Could you ever understand  
Say its all about coming up  
Cutting through but coming up  
Say its all about coming up  
Say its all about coming up  
Listen eh hot in the daytime  
Cold cash at the night-time  
Listen hot stuff in the daytime  
Cold cash money at the night-time  
You know we make it right y all  
Couple of zeros behind the one  
Not for fun straight get the job done  
Could you understand  
Could you ever understand  
My hood  
Cos this is my hood  
Could you ever  
Would you ever know  
Could you understand  
Nowadays  
Could you represent  
Could you represent  
Could you represent  
Could you represent

Could you understand  
Nowadays  
Could you ever  
Would you understand
