David Simpson:

Oh Oh  
You owe it to yourself  
Yeah  
Where do I belong  
Why do I sing this song  
Im feeling like a slave  
Oh to the rhythm  
I make it you take you fake it  
You break it  
Yeah  
Got to know Im...  
Yeah  
Got to know when to  
Yeah you know that  
Yes you know that  
Where do I belong  
Where do I belong  
Where do I belong  
Need a place where I can call my own  
Where do I belong  
Need a place where I can stand alone  
Where do I belong  
Where do I belong  
Need a place where I can call my own  
Why do I sing this song  
Feeling like a slave to the rhythm  
Land of hope and glory  
Listen to my story  
I make it you take you fake it  
You break it  
Got to know my place  
Got to know my place  
Need a place that I can call my own  
Need a place where I can stand alone  
Got to know my place  
Got to know where to move  
Where to run where to hide  
Leave us all alone yeah  
Leave us all alone

Need a place where i can call my own  
Leave us all alone  
Need a place where i can stand alone  
Leave us all alone
