There's a secret in your life  
Believe in love and you survive...

Please let me know  
Oh, baby, I need you, I want you, I miss you so  
Please don't go  
Oh, baby, I need you, I want you, I miss you

Love... Love... Love is a symbol of freedom  
Another idea for great love kingdom  
Love is a symbol of motion  
You can't get it without devotion  
You wounded by a wounded heart  
You hunted but you broke apart  
What I tell you, We're right on time  
Don't do no dope - Don't do no crime

Oh-oh-oh, Don't do no dope - Don't do no crime  
Oh-oh-oh...

Oh, baby, please let me know  
Oh, baby, I need you, I want you, I miss you so  
Please don't go  
Oh, baby, I need you, I want you, I miss you so

Don't take no dope (There's a secret...)  
Don't do no crime (Baby in your life...)  
Don't take no dope (Believe in love...)  
Don't do no crime (And you survive...)

Love is a symbol of living  
What have you lost if you're not giving  
Love is a symbol of nations  
We're all adjusted to the new generation  
It's a mission: we believe in love  
It's a vision what we're dreaming of

What I tell you, We're right on time  
Don't do no dope - Don't do no crime

Oh-oh-oh, Don't do no dope - Don't do no crime  
Oh-oh-oh...

Oh, baby, please let me know  
Oh, baby, I need you, I want you, I miss you so  
Please don't go  
Oh, baby, I need you, I want you, I miss you so

Baby, please don't go

Don't take no dope (There's a secret...)  
Don't do no crime (Baby in your life...)  
Don't take no dope (Believe in love...)  
Don't do no crime (And you survive...)

Please let me know  
Oh, baby, I need you, I want you, I miss you so  
Please don't go  
Oh, baby, I need you, I want you, I miss you so
