You've gotta shout if you've got something to say  
I know it's getting bad, you read it every day  
And you, you can try your best ot fight it  
But you can't make it on your own

Someone better tell the people up there  
I think they ought to know, the bubble's just about to  
bust  
Tell them they'd better beware  
The word is on the street, get up on your feet, and  
shout out

The kids out there don't know how to react  
The streets are getting tough and that's a matter of  
fact  
and I, I can't take it any longer  
But we can't make it on our own

The people there find it hard to relate  
They don't know how it feels to be standing there on  
your own  
Believe me, it's never too late  
It's time to make a move, get up on your feet and shout

Stop, look down, everybody, do you see what's going  
on  
around you, stop...

Shout out, shout it out, shout loud  
Shout out, shout it out, shout loud

There are people who give and there are people who  
take  
But I believe it's gonna get better  
Realise what a difference you make  
And don't turn away, Hey! I'm talking to you!

So there's only the one solution  
Stop and think what's going on  
You can draw your own conclusions  
But we won't make it on our own

Someone better tell the people up there  
I think they ought to know  
The bubble's just about to burst  
Tell them they'd better beware  
The word is on the street  
Get up on your feet and shout

Stop, look down, everybody  
Do you see what's going on Around you, stop...
