Calling all Comas
Prisoner on the loose
Description
A spitting image of me
Â'Cept for a heart shaped hole
Where the hope runs out

Shock me awake
Tear me apart
Pinned like a note
In Hospital Gown
Prison sleep
Deeper down
The rabbit hole
Never to be found
Again

Where are you hiding my love?
Cast off like a stone
Feelings
Were all exposed
When IÂ'm out of control
Pieces were stolen from me but
Dare I say give it away
Watching the water give in
As I go down the drain
I appear missing now

I go missing
No longer exist
One day
I hope
IÂ'm someone you miss

Shock me awake
Tear me apart
Pinned like a note
In a hospital Gown
Deeper I sleep
Further down
The rabbit hole

To be found

It's only falling in love because you hit the ground.

dancing on a wire both ends are on fire
cut me loose
nowhere to run no more room to pretend
wandering along the road in the summer night

I go missing
No longer exist
One day
I hope
I'm someone you miss

Shock me awake
Tear me apart
pinned like a note
In a Hospital Gown
Deeper I sleep
Further down
The rabbit hole
To be found

You...
with my toes on edge
...
you...
I never loved anything until I loved you
you...
I'm over the edge
you...
...falling through
