If it gets you down well then Ill take it
If it gets you up, well I don't want it
It lets you down so broken hearted
If it gets you down well then I want it

If only, only and
If only, only and
If only, only and
If only, only and
We're nothing at all

You blow my mind cos ur so pretty girl
Those long, long days there's no escaping
I rolled the wheel and let it go
and where it stops, you'll never know
If it gets you down then just don't blame me

If only, only and
If only, only and
If only, only and
If only, only and
If only, only and
If only, only and
If only, only and
If only, only and

We're nothing at all
