Cracks in the ceiling, crooked pictures in the hall
Calm and breathing, I'm leaving here tomorrow
They don't know, I never do you any good
Laughing is easy, I would if I could

Ain't no worry
Just live till you die, I wanna drown
With no-where to fall into the arms of someone
There's nothin' to say that I know
You live till you die

Live till you die, I know
Live till you die, I know
Live till you die, I know
Live till you die

Losin' all feelin' and I couldn't get away
Calm and breathing, disappearing in the fade
They don't know, I never do you any good
Stoppin' and stayin', I would if I could

Ain't no worry
Just live till you die, I wanna drown
With no-where to fall into the arms of someone
There's nothin' to say that I know
You live till you die

Live till you die, I know
Live till you die, I know
Live till you die, I know
Live till you die
