You're a head case with a smile
Can't stop to make up your mind
Education is so lame (so lame)
When you bitch and you moan
You're a loose girl, I'm a guy (hey)
You're a truth freak with a lie
The situation is so strange
It's a tv show

In a hotel on the phone
You're gonna leave me, I should've known (should've known)
And I was thinkin, it's so sad
I didn't want you to go
Don't wanna follow the laws of man

Bloody apron, leg of lamb
It's so hard to win
When there's so much to lose

Infiltrate the walls that are caving in
It ain't a bad thing
This ain't reality
Infiltrate the walls that are caving in
It ain't a bad thing
Because it is natural

Second Avenue, raising Cain
I'm a sinner, ring my bell (hey)
I'll tell you what, I get up
If I knew I fell
