Where have you gone again my sweet?
Everybody wants to know
Where have you gone again my sweet?
Everybody wants to know

Where you gone?
Where you gone?

I'm just a ghost, I'm on your street
Waitin', when you comin' home?
I'm just a ghost, I'm on your street
Waitin', when you comin' home?

Gone so long
Where you gone?

On a long slow goodbye?
On a long slow goodbye

In every voice, I hear you speak
Waitin' by the telephone
I close my eyes, I just can't sleep
Roll and tumble all night long

All night long
Where you gone?

On a long slow goodbye?
On a long slow goodbye
On a long slow goodbye?
On a long slow goodbye

I close my eyes, I just can't sleep
Where have you gone again my sweet?

On a long slow goodbye?
On a long slow goodbye
On a long slow goodbye?
On a long slow goodbye

Goodbye
Goodbye

Goodbye
