Well I've got a secret, I cannot say
Blame modern movement to give it away
You've got something I understand
Hold it tightly, call on command
Leap of faith - do you doubt?
Cut you in, I just cut you out

Whatever you do, don't tell anyone
Whatever you do, don't tell anyone

Look for reflections in your face
Canine devotion that I can't erase
Out on the corner, locked in your room
I never believe them, I never assume

Stuck in belief, there is a lie
Promise is promise, an eye for an eye
We've got something to reveal
No-one can know how we feel

Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell

I think you already know
How far I'd go not to say
You know the art isn't gone
I'm taking my song to the grave

Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell anyone
Whatever you do, don't tell
