The walls are closing in again, oh well  
The walls are closing in again, oh well  
I 've seen some things i thought I never saw  
Covered in hair

Paul's dad is warped and bubbling, oh well  
Paul's dad is warped and bubbling, oh well  
And my mind is stuck here on another wave  
Covered in hair

She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow

You've got a monster in your parasol  
You've got a monster in your parasol  
You've got a monster in your parasol  
You've got a monster in your parasol

Paul's sister is an alien, oh well  
Paul's sister is an alien, oh well  
I 've seen some things i thought I never saw  
Covered in hair

She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow  
She won't grow

You've got a monster in your parasol  
You've got a monster in your parasol  
You've got a hole in you I never saw

In your parasol

In your parasol  
In your parasol
