"My God Is The Sun"

Far beyond the desert road
where everything ends up
So good the empty space into the race
Forgive, forgot

Heal them, like fire from a gun
Kneeling, my god is the Sun
Heal them, with fire from above
Kneeling, my god is the Sun

I don't know what time it was
I don't wear a watch
So good to be an ant who crawls

atop a spinning rock
(beyond...)

Heal them, like fire from a gun
Kneeling, my god is the Sun
Heal them, with fire from above
Kneeling, my god is the Sun

Heal them, like fire from a gun
Kneeling, my god is the Sun
Healing, kneeling
godless heathens

Godless heathens always waltz on the sky...
