New album: Era Vulgaris to come in June 07'

Hitting the cheese bread pretty hard you know how I do.

Heard a French guy in the booth behind me dropping bombs.

Turns out QOTSA are going to be doing some press to announce the new album.

the Dr. is not gonna be scooped like a pile of potato salad.

The record is called Era Vulgaris.

It's coming out in June.

Your fake track lists makes the Dr. laugh like a little girl.

Into the Hollow

Sick, Sick, Sick

Misfit Love

Battery Acid

Could be song titles. or could not.

go sign up on the mailing list for future insider info

then get off the internet and go get laid, its valentines day

kisses,

dr. inside
