Here comes the one that you've been dreaming of  
I am the most exalted potentate of love  
I got a mojo hand that fits like a glove  
I'll be coming round [Incomprehensible] get your love  
I'm the most exalted potentate of love  
Yes I am

Yes, I'm the celebrated hottentot of twat  
Make a hole, look out, make way for a demon child  
I'll make you hear my turtle dove  
Ride around the range to get your love  
Are we having fun on a fire, son of a gun?

Mad, you called me mad?  
I have the secret to eternal love  
Mad, you call me mad?

I am the most exalted potentate  
The most exalted potentate  
The most exalted potentate of love

Yes, I'll teach you how to read the book of life  
You can just look at the pictures if you like  
I'll make you hear my turtle dove  
Ride around the range to get your love  
Are we having fun on a fire, son of a gun?

I am the most exalted potentate  
The most exalted potentate  
The most exalted potentate of love
