Oh the night draws on and on  
Now that you're gone  
Now that you're far away  
My thoughts seem to stray

Sit alone all day  
Hours pass that way  
Wishing you were here  
Holding me dear

You may call me foolish  
A child you'd know it'd be true  
But I don't wanna be loved  
By anybody but you  
No I don't want to be loved  
By anybody but you

I Sit alone all day  
Hours pass that way  
Wishing you were here  
Holding me dear

You may call me foolish  
A child you'd know it'd be true  
But I don't wanna be loved  
By anybody but you  
No I don't want to be loved  
By anybody but you

At night when I'm home  
I listen for the phone  
Wonderin' if it will ring  
At night in my bed  
Thoughts fill my head wonderin'  
If you feel the same

You may call me foolish  
A child you'd know it'd be true  
But I don't wanna be loved  
By anybody but you  
No, I don't want to be loved

By anybody but you
