(Chris DeGarmo)

Sitting all alone, inside, today Jane.

The other girls are home, weÃ,Âre playing a new game,

The voice is very, very close, you like it that way, and weÃ,Âre feeling rather warm inside.

Are you smiling or afraid ?

You can have it either way.

Lady Jane your eyes are wide today, and the world is looking very strange, you must proclaim !

ItÃ,Âs quite a scary, scary ride we take, Lady Jane.

Yesterday seemed very dark, but now itÃ,Âs bright, your clouds have gone away.

Sensory perception peaking at this time, electric waves of sound are filling JanieÃ,Âs mind today

calling out to Janie as you drift away, Ã,Â³Dont be afraid,

theyÃ,Âre only your illusions anyway.Ã,Â²

Lady Jane your eyes are wide today,

and weÃ,Âre sure you wonÃ,Ât forget the things youÃ,Âve seen today !
