In my life, giving me hope and the new start that I have.
I won't let go, gotta make the grade.
No, I won't let it go
To be the best man, the best man that I can.
Step by step I dream the plan from my chair to walking
man.
This constant dream is on my mind. Chase the light I
see ahead.
Luminate the path I tread.
I live to be the best I can.
Now I'm moving forward and I'm never looking back.
Straight ahead, focused on the big attack.
On a roll and I'm never showing down.
I won't be torn between the man in the chair and the
man that's in my dream.
I'm going to melt the two men into one.
I won't let go, gotta make the grade I set.
No, I won't let it go to be the best man,
the best man that I can.
