Tonight the rain is falling  
Full of memories of people and places  
And while the past is calling  
In my fantasy I remember their faces

The hopes we had were much too high  
Way out of reach but we had to try  
The game will never be over  
Because we're keeping the dream alive

I hear myself recalling  
Things you said to me  
The night it all started  
And still the rain is falling  
Makes me feel the way  
I felt when we parted

The hopes we had were much too high  
Way out of reach but we have to try  
No need to hide no need to run  
'Cause all the answers come one by one  
The game will never be over  
Because we're keeping the dream alive

I need you  
I love you

The game will never be over  
Because we're keeping the dream alive

The hopes we had were much too high  
Way out of reach but we had to try  
No need to hide no need to run  
'Cause all the answers come one by one

The hopes we had were much too high  
Way out of reach but we had to try  
No need to hide no need to run  
'Cause all the answers come one by one

The game will never be over  
Because we're keeping the dream alive

The game will never be over  
Because we're keeping the dream alive

The game will never be over
