Well I'm sick of you
You think you're cool
You're so depressed
And I'm not impressed

I'm a bad motherfucker,
Oh yes I am your mothers,
Come on! Come on!
You go mental and you suck,
So remember I'm ok,
You're fucked, you're fucked.
You go mental and you suck,
I'm ok, you're fucked
You're fucked, you're fucked, you're fucked.

Well I'm sick of you
You think you're cool
You're so depressed
And I'm not impressed

I'm a bad motherfucker,
Domoarigato, come on!
You go mental and you suck,
So remember I'm ok you're fucked, you're fucked.
You go mental and you suck,
I'm ok, you're fucked,
You're fucked, you're fucked, you're fucked.
