"Monkey In A Suit"

Well I'm commander-in-chief
What's your beef?
It's my war not yours
Gotta take the hill
If a few are killed
We must stay the course

I'm a nazi cat in my SUV
Just an ape and you're all freaks
I'm a nazi cat I'm a cool monkey

I had to steal the vote
As you all know
I'm the top dog in the land
I call the shots
I'm the chief despot
Fighting for the fatherland

Monkey in a suit on the White House lawn
Monkey in a suit with his dunce cap on
Monkey in a suit with a 'nuclear' bomb
