She's shooting arrows through my heart

Builds me up then tears me apart

She looks hot but she's cool

She's not my girl but I'm a fool, don't you know

I'm really stupid but I love her so

I'm only hoping that she wants to know

So cool, so neat and sweet, she's my peppermint girl
(4x)

She put my heart into a spin

She wants out but I want in

She looks hot but she's so cool

She's not my girl but I'm a fool, don't you know

I'm really stupid but I love her so

I'm only hoping that she wants to know

So cool, so neat and sweet, she's my peppermint girl
