She's shooting arrows through my heart  
Builds me up then tears me apart  
She looks hot but she's so cool  
She's not my girl but I'm a fool, don't you know  
It's really stupid but I love her so  
I'm only hoping that she wants to know

So cool, so neat and so sweet, she's  
My peppermint girl  
She put my heart into a spin  
She wants out but I want it  
She looks hot but she's so cool  
She's not my girl but I'm a fool, don't you know  
It's really stupid but I love her so  
I'm only hoping that she wants to know

So cool, so neat and so sweet, she's my peppermint  
girl
