Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.

Well, Tulu was our bass player, and then he quit the band.
He said he had to go somewhere, but he had nothing planned.
Tulu went to New York; he said he had to go.
He asked me what's a ?; he certainly should know.

Now, Tulu has a girlfriend; he says he really likes her,
But we can't stand her 'cause she won't drink
Budweiser.

Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.
Tulu is a wimp because he is a wimp.
