I know girls, and I know you  
And all the stupid games you play  
I'm not good enough for you  
Well this is what I say  
You may not know it but hey it's true  
He don't love you but I sure do  
Don't you know  
I love you so  
All the girls say they're above me  
And I know you really love me  
But you're just my Voodoo Doll  
Oh yeah, just my Voodoo Doll  
Oh yeah, just my Voodoo Doll  
Oh yeah, just my Voodoo Doll  
Oh yeah, just my Voodoo Doll  
Walking down the street, staring at my feet  
And I'm all alone  
Everybody laughs at me  
I'm in the Twilight Zone  
You may not know it but hey it's true  
He don't love you but I sure do

Don't you know

I love you so

All the girls say they're above me

And I know you really love me

But you're just my Voodoo Doll

Oh Yeah, just my Voodoo Doll

etc
