Motherfucker

I hate "White Power"

I hate you band

Can't you see

This ain't Nazi Germany

Bring on the beers

'Cause we are the Queers

You're Tripping

You're Tripping

Oh yeah [x4]

You suck

Motherfucker

Your face is ugly

Your brain's in space

Can't you see

This ain't 1943

Bring on the beers

'Cause we are the Queers

[Chorus]

Queers You're Tripping
