#### Verse 1

You make me feel sensational  
You make me feel sublime  
Your love is so exceptional  
But we're running out of time  
Even though you treat me good  
I'm slowly dying inside  
This is too good to be true  
You were hard to find

#### Bridge

Look, I don't wanna hurt you, but I think it's time I  
should  
This is hurting me too, I would stop it if I could

#### Chorus

Oooh, I've been looking for a boy like you,  
And I've found ya, oh  
I love you like mad, but now all of this turns bad  
Cause nothing lasts forever  
And I'm losing a boy like you

#### Verse 2

You make feel like magic  
You make me feel so glad  
But, my mind is going tragic  
My mind is going mad  
I thought we going slow,  
Seems like we're going too fast  
Both of us should know,  
Things like this never lasts

#### Bridge

#### Chorus x2

I'll stop  
I'll stop  
I'll stop  
I'll stop  
I'll stop trying, sick of lying

Chorus x3

I'll stop trying, cause I'm lying and dying.
