And I'm coming in your empire
You want me and you need me

You belong to me,
This passion, it will be
You crave for me

And the world turns into oblivion
Just a kiss and I lose myself
This hunger for your love is makin' my spirit so weak
And my flesh so addicted to your breasts

A kiss so addictive
Red lips told me that I'll be Immortal, Immortal
Black widow and a butterfly
Her red lips told me that I'll be Immortal, Immortal

I love it when you debase me
I want you and I need you

Let me in,
Baby let me in
I'm craving for you

And the world turns into oblivion
Just this one kiss makes me soulless
Submissive, abject, without a claim
I'll do anything to see your satisfaction

A kiss so addictive
Red lips told me that I'll be Immortal, Immortal
Black widow and a butterfly
Her red lips told me that I'll be Immortal, Immortal

And I want her
And I need her
Without a will, without a soul
A new death into IMMORTALITY!

Even if I want
Even if I try

A look in her eyes
I see my soul, she trapped inside

Infernal, eternal, forever be immortal
