Song: Faithless

Packing our bags like people in the movies do
All severe, and not saying a word
And I'm sitting down here just watching you, and I'm
thinking

Where has all the love gone
where's the love gone to
Don't Leave
You got me hurting
Don't Leave
You know it's never been easy to love someone like me

Hanging with friends like we used to do
I didn't know anything was wrong
last night when I was thinking it through
Trying to find who am I
And what you lead me to do
(Don't Leave)
There's a record you used to play
There's Joni singing
The bed's too big without you
And I know just what you say
help me, I'm falling

Where did all the love go
Where's the love gone to
Don't Leave
You got me hurting
Don't Leave
You know it's never been easy to love someone like me
Don't leave

Where did all the love go
Where's the love gone to

We'll fly around the world
give you what you're giving me
I should dress you up in pearls
finest silk to touch your skin

don't know hot to write a love song

Don't Leave

You got me hurting

Don't Leave

You know it's never been easy to love someone like me

Don't leave
