I'll never let you down.

Pleading just give me one last chance, and you won't ever be looking back.

Will I redeem myself, in the eyes of the rest?

This whole world looks on, as they fall to their knees. Their hearts will go on, not knowing what they need.

This life is yours to change, become the savior that we need.

This life is yours to change, become the savior that we need.

The savior that we need.

The savior that we need.

I will show them kindness, that was never shown to me. Brotherhood.
