I took all of my pride
And I shoved it in a box full of deadly sins and threw
away the keys
And if I don't get out of bed
And try and see the sign
I will waste away and never dream again

Do we ever dream at all?
If I take what I have
Am I holding on to anything at all?
I have looked out to see
And see that I don't see anything at all

I could say that I tried and wait to see
If anyone would say that I'm a liar and cast me out
alone
I am always without her
But where is she now I can only search for answers
outside

Can my feet touch the sand
Or is everything turning to gold, oh
If my legs are no more
Is there anyway to get back to you, oh
you, oh
you, ooh

Can I get back to you, oh
you, oh
you, oh
Can I get back
Can I get back to you, oh
you, oh
you, ooh
Can i get back to you, oh
you oh
you ooh
Can i get back to you
You oh
you oh
Can i get back

I'm never coming back again
I'm never coming back again
I'm never coming back again
