

Alpha "Almost There"

Visit "[Almost There](#)" on MotoLyrics.com

It's really good
That we struggle
Really struggle
That something

Think about it
Take your time
Doesn't matter
Not a crime

Almost there

There I was
Flesh and bone
Only human

Lost from home
Lost from home

Happy ending
Right this way
Take the journey
Round again

Steal another
Glance a kid
Almost there
Round again
Think about it
Take your time
Doesn't matter
Not a crime

Couldn't happen
Not this possible
Take your time

Who could be
Take the journey
Find a way
In a hurry

Who's the fool
Could lose it all
Took a chance
Broke the pact
Lost my way
Then did again
Who could be
Someone like me
Caught my breath
Then died the dead
Who could be
Someone like me
