Hello eloise  
Let me in on the secret that you will keep  
Your eyes are wise  
Your eyes are new eyes  
Hello eloise  
Whisper the places that you have been  
Tell me, was the sky blue  
Were the stars bright  
Was there sunshine over the daisies  
Champion girl  
Who's best in the world at  
Stargazing, magic carpets  
Hello eloise  
Hello eloise  
Your eyes are wide  
Your eyes are new eyes  
Champion girl  
Who's best in the world at  
Stargazing, magic carpets  
Stargazing, magic carpets  
Hello eloise  
Hello eloise
