Surely you know what iâ€™ve been dying to say
God knows itâ€™s hard
When youâ€™re not here i can pour out my heart
The words just come
But timing isnâ€™t my best point
I miss the boat
Too scared to spit it out
I keep the lump in my throat
For crying out loud
Whatâ€™s the worst that can happen
Maybe iâ€™ll die
Maybe my life will begin
But sometimes even the best lines are misconstrued
At times iâ€™m eloquent
Though not in front of you
I could keep it so quiet
Never tell you my secret
Living a lie
I yell inside
Timing isnâ€™t my best point
I miss the boat
Too scared to spit it out
Kept the lump in my throat
For crying out loud
Whatâ€™s the worst that can happen
Maybe iâ€™ll die
Maybe my life starts here
Surely you know what iâ€™ve been dying to say
