Ten o'Clock and it's too late babe
You missed the train now you're name's erased
My little blk book that held your name
Now holds another girl in place

Ten o'Clock and it's too late babe
You missed your train now you're name's erased
Called me up tryin' to save your heart
You thought too big, now you love too long

Aw, ten o'Clock but it's too late baby
She was standin' there so sad and blue
And I just waited as long as I could
She had to run, she needed someone new
Ten o'Clock babe it's too late babe
You missed the train now you're name's erased
You missed the train now you're name's erased
You missed the train now you're name's erased
