"Why Me"

Left me this morning thought I had you the rest of my
life

Thought we had a good thing that would last a very
long time

Why me? (Why me?)

Why me? (Why me?)

We had a very good thing girl
We had a very good thing girl
You better come on back
So we can have this good thing girl

Why me? (Why me?)

Why me? (Why me?)

We had this very good thing girl
We had this very good thing girl
You better come on back
So we can have this good thing girl
Left me this morning thought I had you the rest of my
life now
Thought we had a good thing that would last a very
long time

Why me? (Why me?)

Why me? (Why me?)

We had a very good thing girl, that's right
We had a very good thing girl
