(Jimmy Buffett)

Hey, hey good lookin', what you got cookin'?
How's about cookin' somethin' up with me?

(George Strait)

Hey, hey, sweet baby, don't you think maybe
we could find us a brand new recipe?

(Alan Jackson)

I got a Hot Rod Ford and a two-dollar bill
And I know a spot right over the hill

(Clint Black)

There's soda pop and the dancing's free
If you wanna have fun, come along with me

(Kenny Chesney)

Hey good lookin', what you got cookin'?

(Toby Keith)

How's about cookin' somethin' up with me.

(Jimmy)

Let's stir it up, boys.

(Jimmy)

I'm free and I'm ready, maybe we can go steady

(Clint)

How's about saving all your time for me?

(Kenny)

No more lookin'

(Toby)

I know I've been taken

(Alan)

How's about keepin' steady company?

(Kenny)

Well, I'm gonna throw my date book over the fence

(Toby)

And find me one for five or ten cents

(George)

I'll keep it till it's covered with age

(Clint)

'Cause I'm writing your name down on every page.

(All)

Hey, hey good lookin'

(Alan)

What you got cookin'?

(Jimmy)

How's about cookin' something up with me?

(Clint)

How's about cookin' something up with me?

(George)

How's about cookin' something up with me?
